Blessings to you in the name of Jesus Christ our Lord,

Last Sunday we had our first Drive-in and Call-in Worship experience at Mt Jackson. We were excited to have 40 people participate in our service. We are happy to say that we had many positive responses.

Our service time is 10 a.m. at the Mount Jackson church parking lot.

This Sunday is the first Sunday of the month, which means we will do communion. You have a choice of bringing your own bread and juice or receiving the pre-packaged communion packets. If you bring your own elements, you will be able to receive your communion during the service of worship. We are required to wait until the end of the service to give out the pre-packaged communion packet. You will be able to pick them up on the way out of the church parking lot and receive it when you get home. If you choose to bring your own elements in for communion – all you will need to bring with you are bread and grape juice. Any type of grape juice and bread will do.

If you decide to join us for the Call-in worship, all you need is your phone. The call is free.

- You will be calling into "FreeConferenceCall.com"
- The **Call-in Number 720-740-9699**

They will ask you to put in an access code

- **339 633 8#**- You are in – the service will begin at 10am
- You can call in about 10 minutes before the service starts. There may be other people from our charge already signed in. It is ok to talk with each other before the service starts.
- When the service is ready to start **we ask you to put your phone on mute**. If you cannot mute your phone, please try to be in a quiet place and be as quiet as possible because we will be able to hear you.
- When the service is over you can hang up.

Once again, here is a reminder of the rules we are required to follow for our Drive-in service:

- If you are sick, please stay at home – you can call into "FreeConferenceCall.com and listen to the service instead.
- The great news is – you do not have to wear a mask.
- Leave plenty of distance between surrounding cars when parking – volunteers will be there to direct traffic.

- Everyone must stay in their cars – you can roll down your windows or have them up with the air-conditioner on.
- If you get out of your car, we will have to cancel the service and ask everyone to leave.
- The church building will be closed - no bathrooms available
- There will be no bulletins or handouts. Your bulletin is included in this mailing
- You will have an opportunity to drop off your offering for either Mt. Jackson or Quicksburg on the way out of the parking lot.
- The length of the service will be shorter than our traditional service.

If you would like to learn more about the Drive-in or Call-in worship, you can check out the video on our Facebook page.

One other thing. If you have any prayer concerns that you would like for Pastor Elfie to share at worship, you can:

- Email her at elfinmc@gmail.com
- Call or text her at 540-604-4579

We look forward to your participation in our worship service this Sunday, either physically or by phone.

Take care and may God bless you all.

In Christian Love,

Elfie Finn-McKenzie
Pastor, Mt. Jackson and Quicksburg UMC
